

## BRIDGWATER COLLEGE PERFORMING ARTS CENTRE

This is the design for the Performing venue of the College of Performing Arts. The project was granted planning consent in February 2012. The budget constraint drove the design team to achieve a simple building, focusing on the quality of materials instead, particularly the quality of the brickwork.

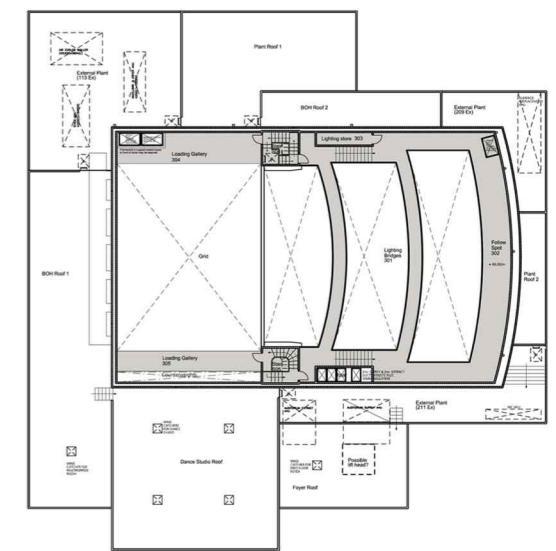

Team:

Austin:Smith-Lord: Ashley Davies, Kate Smith, Greg Capron. Graphics: Greg Capron. All materials property of Austin:Smith-Lord
